Hi Sally,
I finished updating the DTS for now in regards to the specific national monuments under review (most mentioned Grand Staircase.) I had two comments:

Hi Sally,
Most of the DTS letters I'm coming across are from small business owners.
Should I make a note of them (perhaps in an excel sheet, with basic information like business name and DTN) or should I continue to surname them like I would for individual citizens?

Hi Sally,
I'm noticing that on the DTS there are many comments from small business owners (real estate owners, vacation rental owners, shop owners) saying that they support the Grand Staircase NM due to the economic growth to the community as a result of tourism and

recreation.
